Hire A Med Student Program *For the Employer*

Hire a Med Student allows medical students to gain research and quality improvement experience in health care with rural Ontario communities. Students will participate in quality improvement projects and work alongside other health care professionals.

2020 UPDATES

- All funded employers will be eligible to receive a wage subsidy reimbursement of up to 100% of the provincial or territorial minimum hourly wage.
- All funded employers may offer part-time placements (for example, fewer than 30 hours per week).
- All funded employers may offer job placements between May 11, 2020 and February 28, 2021. Employers can offer part-time employment to youth who want to work during the academic year.
- All funded employers will be provided the flexibility to amend project and job activities to support the delivery of critical services.

HOW TO APPLY

- Contact ROMP to express your interest in hiring a medical student and to provide the details of your research or quality improvement project.
- If you have not already applied for a Canada Summer Jobs grant, you may still qualify for 2020.

QUESTIONS

- Please contact the Rural Ontario Medical Program (ROMP) at 1-877-445-7667 or romp@romponline.com if you have any questions or would like further information.
